

## MANDATORY FUNDRAISING

In order to offset some of the difference between our tuition (\$5,763/year K-8 parishioner) and the actual cost (\$8,472/year) of educating a child at SJB, the school requires that each family participate in our mandatory fundraising program. Each school family is required to fundraise \$450 over the course of the school year. A comprehensive list of those opportunities for the 2016-17 school year is listed below. Corporate sponsorship amounts do vary from event to event, and will be listed on each events donation letter. Deadline dates will be established as each event's information is published.
